

Abstract Submission for 13th International Symposium on Neural Regeneration

December 9-13, 2009

Asilomar Conference Center
Pacific Grove, CA
USA

Deadline for submission is September 1, 2009

Instructions:

Multiple abstracts may be submitted; however, each poster abstract must have a different first author. Final acceptance of submitted abstracts requires prior registration for the meeting.

The deadline for poster abstract submission is September 1, 2009. Each abstract must show the title (CAPITAL LETTERS), authors (initials and last name), and affiliations. The text is to be prepared as a single paragraph, single-spaced document not to exceed 300 words. Use 12-point "Times New Roman" font. Abbreviations must be defined when first used.

Submission:

Abstracts will be submitted as a Word document to the ISNR website
(isnr@mc.duke.edu)

Please indicate if you would like to be considered for a short platform presentation during the final session of the symposium.
